We are proud to unveil our newly-redesigned website [www.sirman.com](http://www.sirman.com).

The new site format will enable us to showcase the equipment with new detailed spec sheets and printable flyers.

In addition, the **Dealer login area** will be a useful resource center for

- Online [purchase orders](#)
- Online [User manuals](#)
- The latest PDF [price list](#)
- The [Clearance section](#) for open-box, refurbished and used equipment
- The [Sirman Service](#) area to view and download parts breakdowns and lists and order parts online
